<p>Curriculum and Resources</p>	<ul style="list-style-type: none"> • Curriculum designed to meet all learners needs and takes account of differing learning styles. • Children’s interests and prior learning taken into account when planning lessons. Children are taught the skills that they need to access learning. • Range of ICT resources including interactive whiteboards in every classroom, laptops, ipads, talking books, cameras and recording devices. Computer programs such as Clicker used to support children across the curriculum. • Adapted equipment where necessary, such as pencil grips, writing slopes, wobble cushions, weighted blankets, chew toys • Sensory breaks where necessary and access to sensory resources/experiences. • Visual stimulus/WAGOLL available in all lessons • Low distraction IWB slides utilised • Large Print made available to those who need it. • Coloured overlays to support reading • Highlighted/coloured paper
<p>Whole School</p>	<ul style="list-style-type: none"> • Eco School and School Council where all children, including those with special needs are represented. • Assemblies. We know that some children find it very difficult to cope with large groups and/or sit still and quietly for extended periods of time. We therefore have an adaptable approach and these children may only attend suitable assemblies or join in for shorter periods of time. • Regular assemblies such as ‘Star of the Week’ celebrate the children’s achievements.
<p>Liaison with Parents</p>	<ul style="list-style-type: none"> • Parent consultation evenings in the autumn and spring terms and a comprehensive written report in the summer term. • Open door policy. • ‘Parent Hub’ app. • Monthly newsletter from the headteacher • Parents encouraged to support the children in school and events. • Bilingual staff members to support with translation for our most represented languages.
